February 2023 Newsletter

Hi Friends – I hope all of you have survived the latest round of bad weather that hit across the USA. There was a lot of bad ice that hit Texas and Arkansas and other areas of the country, so I'm hoping we don't get more of that anytime soon. We'll be making our way to Newberry, SC to the Newberry Opera House on February 10th and then to Clintwood, VA on February 11th to the Jettie Baker Center. Later this month we're looking forward to some nice weather in Florida when we get back to the Orange Blossom Opry in Weirsdale, FL for two shows and the Florida Classic Music Festival in Brooksville, FL. If you need some sunshine, join us there.

Check for all our upcoming shows on the website www.GeneWatsonMusic.com and below.

We've had some time off this month so I've enjoyed getting back to the shop to check on some cars there and when I'm home, I pretty much have the Western channel going but I also enjoy the car channels.

Take care and we'll see you on the road.
- Gene

THREE IN A ROW SOLD OUT

I know I've said this before but it warms my heart to see so many folks still wanting to hear some real country music and I hope that will always be so.

FIRST SOLD OUT SHOW FOR 2023

It was a Sold Out show this Saturday in Huntsville, TX at the Old Town Theater- our first show for 2023. It was a great way to start the new year. It's always good to see an audience who loves REAL country music and this group was wall-to-wall fans who appreciated a steel guitar.
