Fan Club Newsletter

Volume 73

Hi Fans,

After way too much time off due to the pandemic, we are delighted to be going back on the road. You'll find photos in this newsletter from a rehearsal we held just this week at our band leader's barn. We had so much fun getting back together and the band sounded better than ever. We've missed seeing you at the concerts and we've missed performing live for you. We all try our best when we're up on that stage to give you the very best we have on each song and trust me, we can tell by your reaction when we've done it right. In baseball lingo, it's like we hit a homerun with the bases loaded.

We have all our shows listed in the itinerary section of this newsletter and you'll find more information on the shows if you will go to the Official Gene Watson website at <https://www.GeneWatsonMusic.com>. If we're not in your area, it's not because we don't want to be there but it takes a promoter or concert venue to contact our agent and book the show. I don't book shows personally so feel free to contact some place near you that has a lot of classic country shows and have them call our agent, Rob Battle. Rob's phone number is 615-957-3444 and email is RBattleArtist@gmail.com.

I had intended to start work on a new album in 2020 but as you know everything in the entertainment world came to a screeching halt. I can't tell you when we'll get back to the studio but it's certainly on the agenda and as always I'll keep you posted on any progress and you will be the first to hear about it.

Thank you as always for being the best fans in the world and I hope to get to say hello to you soon,

Rehearsal Day—May 24, 2021

Gene and the Farewell Party Band (Chad Phillips/lead guitar and band leader; Glen Rodgers/piano, Todd Hines/drums, Staley Rogers/bass, Mike Bourque/pedal steel) enjoyed this chance to perform with each other. Gene noted that they all fell right back into it, just as if they'd played a 3 night job in Vegas the week before!

Please welcome our new pedal steel player, Mike Bourque. Mike has worked with great artists such as Ian Tyson, Sammy Kershaw and Darryl Worley. Mike hails from Moncton, New Brunswick, Canada.

Gene and the band want to thank band leader, Chad Phillips, for hosting them all in his amazing music barn which is near the Dallas-Fort Worth area.
