

Gene Watson Fan Club Newsletter

Hi Friends,

In this time of sheltering at home we hope you will take a moment to sit back and enjoy our newsletter. Most of the photos are from our January cruise since we didn't get to share them earlier. As you know we have re-scheduled March and April concerts as well as some in May. None of us knows when we'll be back to the normal work flow so for any concerts still showing in our May schedule, be sure to check at each venue as we get closer to the day. Be assured if the government allows us to get together, we will most certainly be there. Our concern is to keep you healthy and safe so we can all get together and share the music for many more years to come.

For the moment, I'm staying home and watching a lot of the old Westerns. I'm sure I've seen 90% of them already and some I've seen enough that I could quote all the lines but I still enjoy them and still watch. My favorites are Gunsmoke and The Virginian. Of course with so much down time lately, I've had time to check out many channels and some that I enjoy are the military and science channels and of course the Motor Trend channel. I've watched a whole lot of "Street Outlaws" about street drag racing and the Barrett Jackson show where they auction off cars. Just to rebuff any rumors, I have not learned French or studied calculus.

The band and I look forward to seeing you soon . Take care and stay safe,

Gene performs one of his classic hits with Mark Wills, Wilson Fairchild and Rhonda Vincent seated behind him.

Country's Family Reunion Cruise - Jan. 26th-Feb. 2nd

Gene hangs backstage with Bill Anderson. Bill has been an Opry member since 1961 and is one of the most successful songwriters in country music history.

Gene and Chris Malpass of The Malpass Brothers thought this old car backstage was too cool to pass by and not snap their photo with it. Gene and Chris both enjoy working on cars when they're not touring.

Good friends, Mo Pitney, Mark Wills, Gene and Jimmy Fortune took a moment to visit after one of the big CFR shows on the cruise.

Nadine of Larry's Country Diner fame loves to sneak up on Gene anytime she can. Here she caught him during the autograph session!

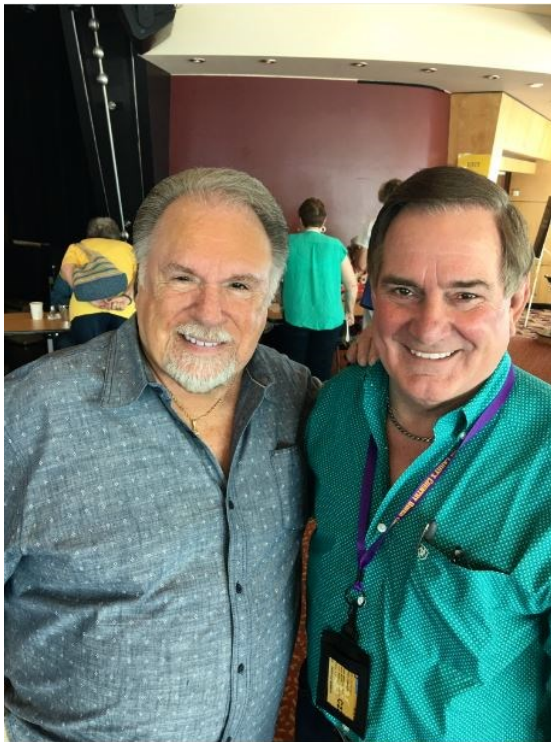

Country's Family Reunion Cruise - continued

Joshua Hedley and Gene are both huge fans of real traditional country music. Check out Joshua's music on his website www.JoshuaHedley.com

Here's Gene showing he can still sing on key while the ship is rocking and the ship's engines are churning.

Gene always enjoys a chat with Boot Daddy (Randy Little of PFI Western Wear). They are taking a short break here from the autograph sessions on the cruise.

Rhonda Vincent, Gene, Teea Goans and Joshua Hedley open the show singing the familiar theme song "Family Reunion".
